*BetterBottle® will be on hand at the Winemaker Conference in Monterey, CA on May 16-18, 2013*

There will be interesting discussions about washing and sanitizing equipment as micro-oxygenation (MOX).

*BetterBottle® will be exhibiting at the LD Carlson Dealer Show at the Sheraton Suites Hotel, Cuyahoga Falls, OH on June 2, 2013*

BetterBottle will display a full range of its products and answer dealer's questions related to the two original articles, which it recently published:

- **Washing and Sanitizing Home Winemaking and Brewing Equipment**
- **Measurement of Oxygen Transfer Rates for Carboy Closures and Air Locks**
